ADQL and SkyNode Tutorial Conclusion

Aurélien Stébé & Iñaki Ortiz

ESAVO-ESAC

Aurelien.Stebe@esa.int

Inaki.Ortiz@esa.int

Conclusion

- High level of participation and interest
- Noticeable improvement of the participants over the seven tutorial sessions
- Fairly good level of tutorial completion
- Smooth but tight scheduled organization
- Heterogeneous groups and systems
- Some people showed interest in implementing SkyNodes back at their organizations
